Designed with purpose

The Celsius Plus All-In-One Pull-Out features a proprietary compact hose management system that allows the pull-out sprayer to operate easily and consistently, with the tap hose retracting without snagging, leaving you free to focus on the task at hand.

The compact hose management system will be installed under-sink, alongside the HydroTap command centre, which is powered by Zip's latest GS technology.

Includes Hose Management System

Patent pending for the hose management system.

The best sparkling water yet

The beautifully designed outlet spout conceals an aerator specifically created to deliver optimum sparkling water delivery.

Intuitive design

Celsius Plus All-In-One Pull-Out features our latest touchpad to allow for easy to access water selection. To make sure the kitchen is as hygienic as possible, Zip has included antimicrobial protection embedded into the surface of the touchpad to help prevent the spread of bacteria. The touchpad also features a boiling safety lock, making a great, safe companion for busy family life.
