

PRATO IGNEOUS GRANITE INSET SINK
PRA790PE/

Size: 790 x 510 mm

Divided into three different working levels to maximise the space available within the bowl to provide a functional compact workstation which will help the aid of food preparation for the everyday culinary chef. Sliding accessories (cutting board, colander and flex drainer) can be positioned on three levels dependent on your food preparation needs.

Our workstation is designed to conceal modern kitchen mess with style and takes the trend for granite sinks a step further by adding hidden functionality.

- Igneous granite material, 80% quartz & 20% acrylic
- Workstation with compatible accessories included
- Waste kit included
